The Nephilim Return

“As the Days of Noah….”
Genesis 6:1-4

“The sons of God (Hebrew Bene ha Elohim) saw the daughters of men that they were fair; and they took them wives of all which they chose….There were giants in the earth in those days, & also after that, when the sons of God came unto the daughters of men & they bare children to them, the same mighty men which were of old, men of renown.”

The Hebrew term *bene ha Elohim* is used only to describe angels throughout Scripture.
Refuting the Traditional Seth & Cain View of Genesis 6

- Sons of God = Children of Seth; Good. Daughters of Men = Children of Cain; Evil
- This is a false, non-Scriptural view
- Julius Africanus (AD 160-240) was the first to suggest this theory
- Man does not want the supernatural to be real. We can’t comprehend it; therefore it can’t be true. But it is real & it will happen again
- Book of Jasher, mentioned throughout the Old Testament, completely destroys the Sethite theory (Jasher 2:2-9). Jasher shows that not all of Seth’s line of descendants are godly people
Describe the Nephilim: Early & Later

Early
- Up to 36 feet in size
- Super human strength, speed, agility, reflexes, stamina & durability
- Telepathic & physic ability
- Ability to heal quickly
- Extreme intelligence & well acquainted with all types of science
- 6 fingers & toes; double rows of teeth

Later
- Shorter in stature: 9-18 feet
- Mixed with animals, plants & humans
- No sex with humans was involved in their reappearance
- They built the pyramids & Stonehenge
How did the Fallen Angels get here?

- Mount Hermon in Lebanon is the place most biblical scholars believe the fallen angels made their entry to earth. They had a Godly assignment to witness to men!
- Hermon means “forbidden place or gate”
- Jerome, the early church father who translated the Bible into Latin, in the 4th century said Hermon means “anathema”
- To this day, Mount Hermon is the place where evil continually rains down on Israel
Rabbinical Tradition

- The Zohar in volume 1 says that the Nephilim were led by Uzza & Azazel. God had deprived them of the supernatural sanctity because of their sin.
- Can angels transform themselves? Yes! 2 Corinthians 11:14 “for Satan himself is transformed into an angel of light”
- When the Fallen Angels came from heaven they became corporeal on the earth & had to take an earthly form
- They went astray from their mission & mated with women; even teaching them magical arts
- The offspring were the giants
Book of Enoch: Extra Biblical

- Origin is 1st century AD; Apocryphal in nature
- However, used by all early church fathers from 1st century through 7th century by theologians like Irenaeus, Jerome, Justin Martyr and Clement
- Jude, the half brother of Christ & writer of Jude in the New Testament. Quotes from Enoch 1:9 directly
- It helps to fill in the gaps & details that Scriptures leaves for us
Book of Enoch: Fallen Angels

- Enoch 6:1-6 tells us some of the interesting things.
- Children of men have greatly increased on the earth at this time.
- The Fallen Angels saw the beauty of the daughters of men & lusted after them.
- The Fallen Angels wanted children for themselves.
- The Fallen Angels descended on Ardis, the summit of Mount Hermon. They swore to their secret plan on it.
- Their purpose was to introduce the “seed of the serpent” into the human race.
- They went to the place where Ham & his family migrated to after the flood.
Book of Enoch: Fallen Angels

- Enoch 7:1-4 tells us that the Fallen Angels made the women their wives. They taught them evil, divination & magic
- The Fallen Angels contaminated all life on earth; people & animals alike
- Only Noah’s family remained genetically pure. This is the real reason for the Flood since nothing remained pure after the likeness of the creation of God
- The Fallen Angels almost brought an end to this planet
Judgment of the Fallen Angels

- There were only 200 angels (Semjaza was their leader) that God judged
- 2 Peter 2:4-5 says “for if God spared not the angels that sinned, but cast them down to hell, and delivered them into chains of darkness, to be reserved unto judgment; 5 And spared not the old world, but saved Noah the eighth person, a preacher of righteousness, bringing in the flood upon the world of the ungodly”
- Jude 6 says “And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day.”
- Severe judgment comes upon the Nephilim. Enoch 10:9-10 tells us that God not only does not forgive them; He makes them watch their children’s destruction over a 500 year period
- They reappear however after the Flood. How? Satan was still free to corrupt others
- We know they returned & tried to create a “land of giants”. Both Moses & Joshua conquered those giants like Og of Bashan. His bed was 15 feet long (Deuteronomy 3:11-13). He reigned in the Mount Hermon area.
Judgment – Part II

- The tribe of Dan actually moves into the area of Mount Hermon in the book of Judges
- They adopted the worship of the fallen angels. Baal & Ashtoreth were Canaanite deities whose origin was at Mount Hermon
- Baalbek, the temple was discovered honoring Baal, in a city at the foot of Mount Hermon
- Mount Hermon has 3 peaks & for centuries before Abraham it was connected to Baal. It is the chief high place in the region

Banias, Israel temples
Tribe of Dan Connection

- Jacob prophesied Dan would be “a serpent by the way, an adder in the path” (Genesis 49:17)
- Moses prophesied that “Dan is a lion’s whelp; he shall leap from Bashan” (Deuteronomy 33:22)
- The tribe of Dan in the book of Judges relocates to Mount Hermon & adopts worship of Baal and Ashtoreth. Eventually they left for parts unknown & became the lost tribe
- Did they reappear in Greece? The Spartans established the same religious practices as those at Mount Hermon
- Greek mythology is an elaborate reinvention of the Danite religion
- The messenger of the Greek gods was Hermes and his son was Pan
Will the Nephilim return at the Time of the End?

- Jesus gives us the first clue in Matthew 24:37, “but as the days of Noah were, so shall also the coming of the Son of Man be”
- The one thing that differentiates the days of Noah is the mixing of seed resulting in a creation of hybrids
- Genesis 6:12 gives is the second clue; God looks on the earth & it is corrupt! All flesh was corrupt on the earth
- The use of science is the new angle to corrupt us now; genetic manipulation of flesh, food & medicine
- These Nephilim spirits are demons & they will reappear
- Read Daniel 2:42-43 to get the last clue on mixing!
Will They Return? – Part II

- They are possibly the army seen in Revelation 9:7-11
- There are not enough horses to field a human army of 200 million men
- The description of horsemen as locusts, face of men, hair like women, teeth like a lion is a possible description of what a Nephilim would look like
- Their leader is Apollyon; who is associated with Nimrod & the Antichrist. The army is released from the Pit by 4 of the original Fallen Angels
- The return of the Nephilim would be full circle from Genesis to Revelation
- Part of the new plan is the old plan: to corrupt men & the image of God in them. The more the corrupt men they can keep the Holy Spirit from dwelling in man
