

THE 6,000 YEARS OR 6 DAYS FROM ADAM TO THE SECOND COMING OF JESUS, THE MESSIAH

Adam to Abraham = 2,008 Years + Abraham to "Until Messiah the Prince" = 2,000 Years + Messiah the Prince until the Second Coming of Messiah is equal to 1,992 Years (Note: 1,558 Years (from Adam to Shem's birth) + 2,450 Years = 4,008 Years or from Adam to Messiah the Prince + 1,992 Years (33 A.D./Messiah the Prince until 2025 A.D.) = 6,000 Years or Six Days + 1,000 Years = Seven Days). Genesis 6:3: "My Spirit shall not strive with man forever, for he is indeed flesh, yet his days shall be one hundred and twenty years." The "120 Years" are as Jubilee Cycles (i.e., 49 Years + 1 Year = 50 Years = 1 Jubilee Cycle)...120 Jubilee Cycles * 50 Years = 6,000 Years ... there are 40 Jubilee Cycles per each 2,000 years (Adam to Abraham (2,000 years) + Abraham to Messiah the Prince (2,000 years) + Messiah the Prince to the Second Coming of Messiah (2,000 years) - the "8 Years at the end of the 2,008 years of Abraham are purposefully placed at the final 8 years of biblical history to account for the Seventieth Week of Daniel's prophecy, which, likewise, mirrors the 8 days/1 Week of Messiah's Passion Week which was from Nissan 10 to Nissan 17 or Sunday to Sunday over 8 days but each Sunday was but one-half of a day, therefore, although the Passion Week or Holy Week was over an eight-day time frame it must be seen as 3.5 days + 3.5 days = 7 days.

Genesis 47:8-9

This exchange between Jacob and Paroah should take on new meaning once we realize that Jacob understood that many of his ancestors lived much longer than his recent ancestors did. In fact, once you realize on this chart that Jacob's great great great great great great great great grandfather, Shem could have held him on his knee as a baby, the verse in Genesis 47 should take on more meaning.

AGE CHART ADAM TO JOSEPH

This chart can be used to help in daily/weekly Torah study efforts when you see the years and dates scriptures give when laid out side by side. It is interesting to note that the first 2158 years of human history are overlapped by the lives of three men (Adam, Lamech and Shem). It is also interesting to note that Abraham could have personally known Noah and that Jacob was a contemporary with Shem.

WHAT IS THE TORAH?

The Torah is the first five books of what most Christians call the Bible. Genesis, Exodus, Leviticus, Numbers, Deuteronomy. The Torah, commonly mistranslated in the Bible as "Law" is simply the "instructions" that the Father has given for his people to be kept "forever for all generations". Other common misconceptions are that Jesus(Yeshua) came to do away with the Torah(law) and free us from the bondage contained within.

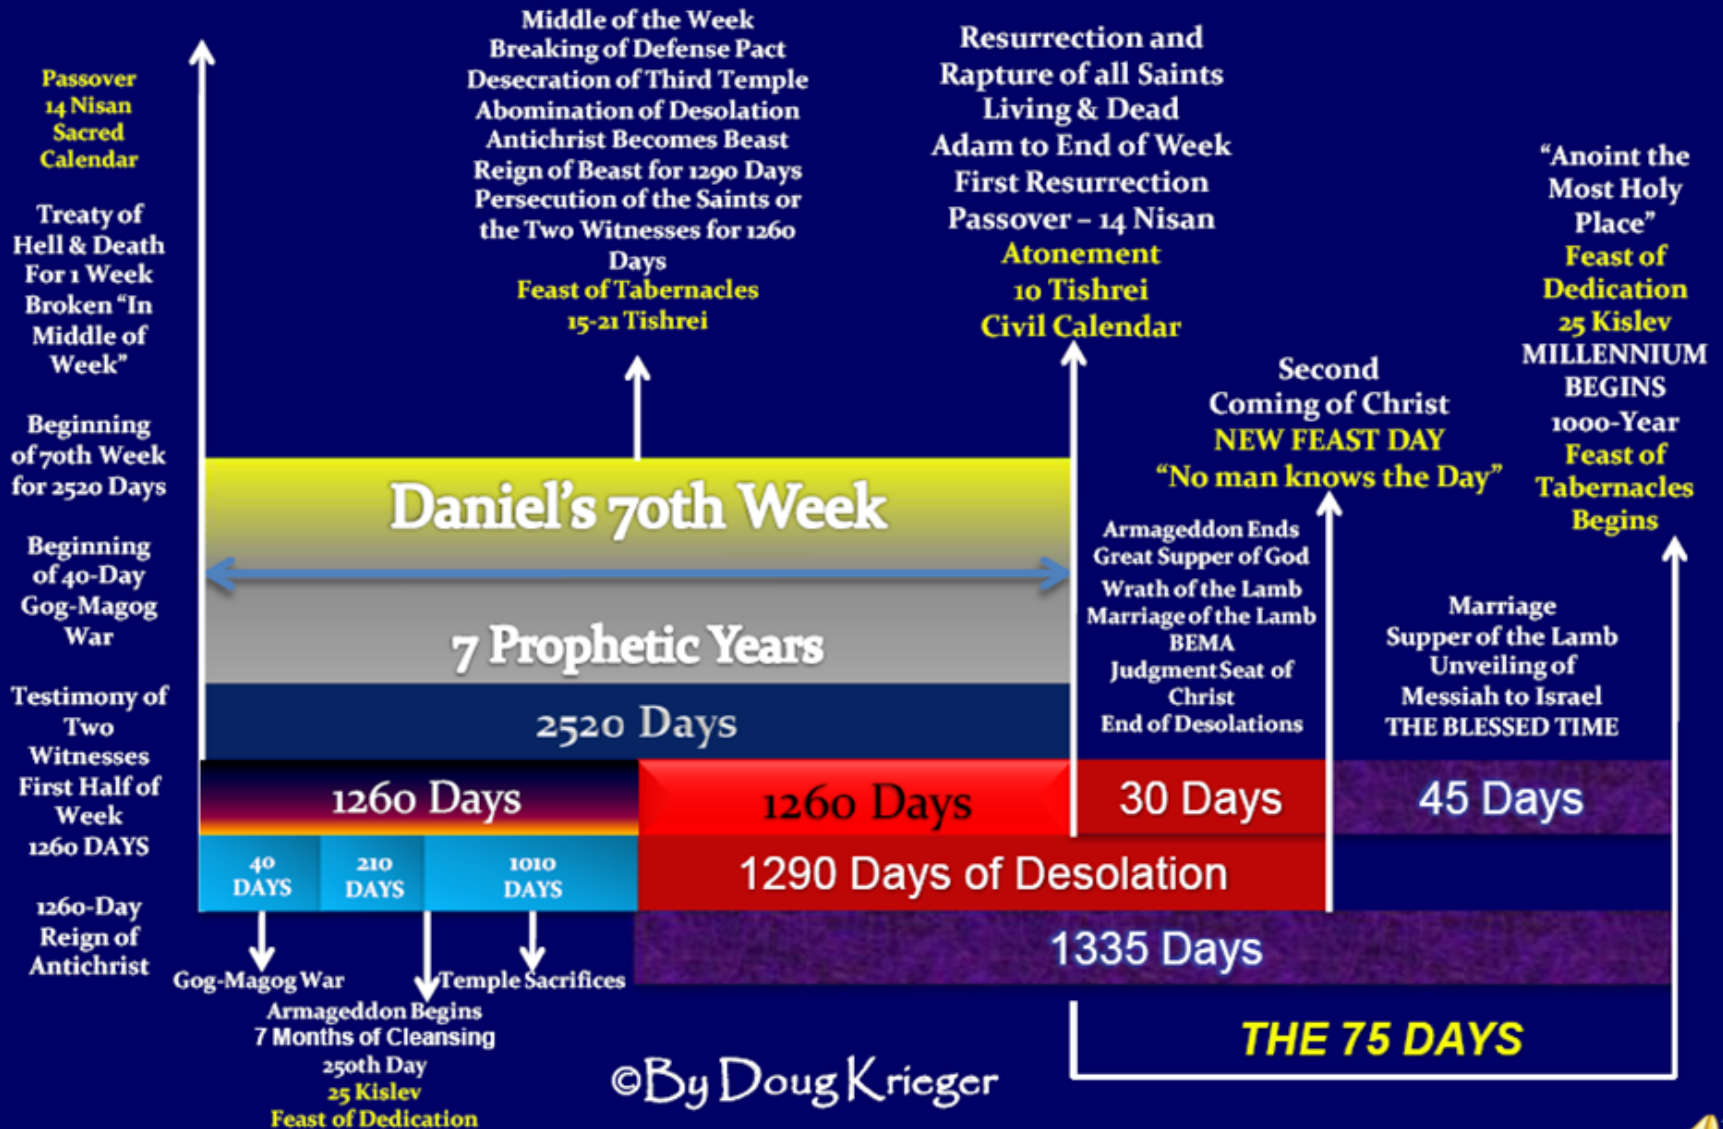

Actually, all throughout the Old Testament we see the authors refer to the Torah as "the way", "the truth", "the life" and freedom. Jesus(Yeshua) in fact was the Messiah who came to do away with our transgressions against God's Torah while also being the perfect example showing us how to follow and keep God's Torah (Matthew 5:17-19). When we fall short, his grace catches us. Yes, a new covenant is in place but for a true believer, the Torah(law) is to be written on our hearts. (Jeremiah 31:33 - Hebrews 8:10).

The Tribnet finds the chronologies done here, in the main, excellent - please note the 1558 years to Shem's birth and the 2,048 years to the birth of Isaac. Also, note the 502 years of age of Noah at the birth of Shem and not the 500 years of age - again, the issue of the "Arphaxad Factor" and the two years - here we see a slight extension, therefore, that Shem appears to be 98 years of age and begat Arphaxad when he was 100 years of age; however, we affirm that Shem was 100 years of age at the time of the flood and that he lived 500 years after the flood - therefore, the two-year "Arphaxad Factor" persists - note the 1948 years of Abraham's birth and Terah's 70 years and not 130 years of age - therefore the 60-year "Terah Factor".

THE SEVENTIETH WEEK OF DANIEL – AND THE 75 DAYS
